

## BENEFITS OF A LAWN MOWING BUSINESS

- Working for yourself.
- Work school or mums hours.
- Listen to music.
- Listen to podcasts.
- Learn to speak another language if you wanted.
- Working outside in the environment.
- No need to have passed high school.
- No 3 or 4 year apprenticeship.
- No giant student loans.
- Have you just dropped out of school and are looking to make top \$ without study.
- Do you want to earn \$50-\$100 dollars an hour without having to study or pay huge amounts of \$ in set up costs.
- Have you ever looked at a landscaper and thought you would enjoy that job.
- Are you keen to be paid to get fit?
- Are you between the age of 15-65?
- Do you want a job where you can make as much as you really want?
- Have you ever looked at a lawn mowing business franchise and thought why would you do that.
- All of those lawn franchise's that you see around they are all paying \$500 minimum a month for the secrets I am about to give you. Think about that. If you are looking into one of these I guarantee you that this is for you.
- I looked at buying a lawn mowing franchise. After turning it down I created my very own lawn mowing company. Now I have on sold my very my own franchise's in my own city.
- Even if you are financially set. shear this around because some people out there are stuck on that cycle of wages going round in circles like a hamster on a wheel.
- Are you living week to week paycheck to paycheck.
- This job will teach them to buy what they need as well as being able to write off a lot of your expenses that you are already paying for.
- 5 different types of benefits to a lawn mowing business. Money , Life , Time Control, Success, Fitness.
- Not only that I will give you a pdf file of my actual franchising contract that I have developed which costs over 5grand included.
- You can Start your very own business for less than 10grand and one day become the boss of your very own franchise empire.
- I'm going to tell you everything you need to start your lawns company.
- If you can get a car loan for 10k why not buy a business for that and make \$100,000s.
